

BDCP Outreach Meeting Log and Summary Issues

	Individual / Organization	BDCP Representatives	Interests / Issues
12-09-08	Lower Yolo Bypass Planning Forum	Karla Nemeth, Dave Harlow	Impacts of the Fremont Weir/Yolo Bypass and Cache Slough conservation measures on terrestrial species, agricultural production, flood control, methylmercury production, public use and education programs, production of mosquitoes, existing land management practices, and levee scouring and erosion
12-15-09	Sacramento County	Karla Nemeth	Number and location of northern diversion points and its impact on land uses and wastewater treatment plan; effects of canal alignment on land uses; maintaining water quality in Sacramento River
1-05-09	Yolo Natural Heritage Program	Karla Nemeth	Impacts to terrestrial species; impacts to landowners adjacent to restoration; methylmercury production; interest in exploring green levees
1-15-09	Sacramento County Regional Sanitation District	Karla Nemeth, Jerry Johns, Laura King Moon	Interest in pursuing joint fact-finding about scientific correlation between ammonia discharge's impacts on fish species
1-16-09	Farm Bureau Delta Caucus	Karla Nemeth	Question about need for legislative approval or public vote to construct canal; interest in more information about canal operations modeling and consideration of new storage; interest in more information about how much water the estuary needs
1-27-09	Yolo County Board of Supervisors	Karla Nemeth	Effect of changes in Fremont Weir/Yolo Bypass operations on agricultural production, terrestrial species, and public uses in Yolo Bypass; similar to Yolo Bypass, effects of Deep Water Ship Channel conservation measure on local land use; interest in engaging on long-term governance; concern about restoration and water conveyance elements moving as separate projects; question about the cost of implementing other stressors conservation measures and effect on third parties

	Individual / Organization	BDCP Representatives	Interests / Issues
1-30-09	Contra Costa County Supervisor Piepho	Karla Nemeth	Concern about water flows – particularly outflow targets and the needs of fish species, and effects on water quality in the western Delta; concern about governance of new water conveyance facilities and its ability to address needs of fish species; interest in Delta County involvement in implementation of overall Plan.
2-3-09	Contra Costa County Board of Supervisors	Karla Nemeth	See above.
2-9-09	Reclamation District 999	Karla Nemeth, Paul Marshall	Concern about proposed Deep Water Ship Channel conservation measure and its impact on agriculture and land use in Clarksburg; concern about and interest in the degree of specificity of habitat restoration locations and its impact on the local land prices; concern about conveyance alignment impacts on RD999 facilities and interest in the Deep Water Ship Channel's potential use for water conveyance.
2-10-09	Solano County Board of Supervisors	Karla Nemeth	Concern about the effect of habitat restoration proposed in Suisun Marsh and Cache Slough on Solano County land use and long-term planning; concern about impacts to water quality; particularly given the location of habitat restoration and North Bay Aqueduct intakes; interest in water pollutants such as the effects of endocrine disruptors on fish; identified salmon restoration efforts on Putah Creek for BDCP consideration; concern about any impacts to state highway 113.
2-11-09	Delta Counties Technical Advisory Committee	Karla Nemeth	
5-12-09	Sacramento County Board of Supervisors	Karla Nemeth	
2-18-09	BDCP Orientation Webinar	Karla Nemeth	
February TBD	San Joaquin County Board of Supervisors	Karla Nemeth	

	Individual / Organization	BDCP Representatives	Interests / Issues
March 9	Public Scoping Meeting – Chico 6:00 – 10:00 p.m.	TBD	
March 10	Public Scoping Meeting – San Jose 6:00 – 10:00 p.m.	TBD	
March 11	Public Scoping Meeting – Bakersfield 6:00 – 10:00 p.m.	TBD	
March 12	Public Scoping Meeting – Los Angeles 1:00 – 4:00 p.m.	TBD	
March 16	Public Scoping Meeting – San Diego 6:00 – 10:00 p.m.	TBD	
March 17	Public Scoping Meeting – Merced 6:00 – 10:00 p.m.	TBD	
March 18	Public Scoping Meeting – Davis 6:00 – 10:00 p.m.	TBD	
March 19	Public Scoping Meeting – Sacramento 1:00 – 4:00 p.m.	TBD	
March 23	Public Scoping Meeting – Brentwood 6:00 – 10:00 p.m.	TBD	
March 24	Public Scoping Meeting – Stockton 6:00 – 10:00 p.m.	TBD	
March 25	Public Scoping Meeting – Fairfield 6:00 – 10:00 p.m.	TBD	
March 26	Public Scoping Meeting – Clarksburg 6:00 – 10:00 p.m.	TBD	
TBD	San Joaquin County – Water Advisory Committee	Karla Nemeth	(To be rescheduled from 2-18-09)
